Dear Friends of DRHS Band,

We invite you to participate in a fundraising plan to help support the Damonte Ranch High School (DRHS) Band program in its quest to provide students with unique and meaningful learning experiences through music performance. It is our belief that students need opportunities to develop leadership, character and other skills for successful futures as adult members of our society. We have pledged to support those goals, but we cannot do it alone. With increased budget cuts and increased transportation & fuel costs, the DRHS Band program needs your assistance more than ever.

We are asking for your monetary support. In return we can offer you or your business an attractive exposure package. In addition to advertising and year-long exposure, you will have peace of mind that your dollars are going to support a group of over 100 students at DRHS. The band program is more than a fun activity for high school students; it is an essential element towards the development of future leaders and musicians in our community. It is truly an investment in *our future*.

To help you in your decision as to how much to support our program we have included an outline of how the DRHS Band Boosters provide support for the program and an overview of the scope of our band program. We also encourage you to support the band by attending the numerous activities that the band participates in. The calendar of our performance and rehearsal schedule can be found at our website, www.drhsband.org.

Thank you for your time and for being a friend and supporter of the Damonte Ranch High School Band program.

Sincerely,

Steven M. Schifferdecker

www.drhsband.org

Damonte Ranch High School Band Boosters provide:

Transportation fees (*to festivals and performance events*), registration fees, uniforms, food during band tours and at home football games, volunteer support, equipment for numerous performing ensembles, scholarships, adjudication fees, financial relief for needy families, event planning & management, and good old manual labor. The Band Boosters also make large one time purchases, most recently a 24-foot trailer to transport uniforms, instruments and equipment.

DRHS Band Overview

The DRHS Band consists of a number of different performing ensembles, each with their own schedules, needs and values. The performing ensembles at DRHS include Marching Band and Color Guard, Jazz Band, Symphonic Band, Winter Color Guard, Winter Drum Line, Basketball Band and various smaller ensembles, including a pit orchestra for our annual musical production.

Public Performances and Events

The number of performances for the various groups within the band total on average 40 per year. Performances occur during every month of the school year. In addition, our band trailer is present and visible at many festivals and competitions throughout the year in and around Nevada and California. The marching band performs at all home football games, which adds excitement to the games. We also create in-house printed programs for all of our home concerts (*concerts are free to the public*) and have a sponsor display that will be placed for maximum viewing at all concerts.

THANK YOU FOR YOUR SUPPORT!
